Everyone knows what happens in the end.

A mermaid, a prince, a true loveâ€™s kiss.

But before that young sirenâ€™s tale, there were three friends.

One feared, one royal, and one already dead.

~~~~~

Ever since her best friend, Anna, drowned, Evie has been an outcast in her small fishing town. A freak. A curse. A witch.

A girl with an uncanny resemblance to Anna appears offshore and, though the girl denies it, Evie is convinced that her best friend actually survived. That her own magic wasnâ€™t so powerless after all. And, as the two girls catch the eyesâ€™ and heartsâ€™ of two charming princes, Evie believes that she might finally have a chance at her own happily ever after.

But her new friend has secrets of her own. She canâ€™t stay in Havnestad, or on two legs, unless Evie finds a way to help her. Now Evie will do anything to save her friendâ€™s humanity, along with her princeâ€™s heartâ€™ harnessing the power of her magic, her ocean, and her love until she discovers, too late, the truth of her bargain.

The rise of Hans Christian Andersenâ€™s iconic villainess is a heart-wrenching story of friendship, betrayal, and a girl pushed beyond her limitsâ€™ to become a monster.
